

Personal Anxiety Safety Plan

Complete this plan when you feel calm, so you have clear steps ready when anxiety escalates. Keep a copy on your phone or somewhere easy to find.

1. My Warning Signs

Early signs that my anxiety is building (physical, emotional, behavioural):

2. Things I Can Do On My Own

Coping strategies that have helped before (breathing, walking, music, grounding, etc.):

1. _____
2. _____
3. _____
4. _____
5. _____

3. People & Places That Help Me Feel Calmer

Person I can call:

Phone:

Person I can call:

Anxiety Safety Plan (continued)

5. If Anxiety Becomes Overwhelming

Step-by-step — do these in order:

- 1 Pause and remind myself: *This is anxiety. It is uncomfortable but it will pass.*
- 2 Slow my breathing — longer exhale than inhale (e.g. in 4, out 6).
- 3 Use grounding: name 5 things I see, 4 I feel, 3 I hear, 2 I smell, 1 I taste.
- 4 Try one coping strategy from Section 2 above.
- 5 If still distressed, contact someone from Section 3 or a crisis line.

6. Things to Avoid When Anxious

(e.g. excessive caffeine, isolating completely, reassurance-seeking loops, alcohol)

7. Reasons to Keep Going / What Matters to Me

People, values, or goals that give me hope:

8. Review Date

I will review and update this plan on: _____ Signature: _____
